*Pescarolo ed Uniti (CR), April 16, 2026* **- Lindbergh S.p.A.** (EGM: LDB), a Group providing services in the MRO (Maintenance, Repair & Operations), HVAC (Heating, Ventilation & Air Conditioning), and Circular Economy sectors, announces that on **May 6, 2026, at 4:30 PM CEST**, an online event dedicated to the financial community will be held, hosted by the Company's management team: Michele Corradi - CEO and Co-founder - and Andrea Allegrini – IR and Board Member.

During the event, the Company's management will meet with the financial community to discuss the 2025 fiscal year results, business dynamics, and the Group's growth prospects.

Strongly promoted by the Company, the event aims to open a direct channel of communication with investors, complementing traditional institutional meetings. The online meeting is open to private, professional, and institutional investors, and will focus on interaction: no documents will be presented or distributed, but there will be an extensive Q&A session and direct engagement with the Company's management.

**How to register for the May 6th online call (4:30 PM CEST):**

*To join the online meeting, please register at the following link:* https://lindberghspa.it/en/qa/

During registration, investors will also have the option to submit questions in advance via the form.

The event is expected to last approximately 60 minutes.

***Lindbergh*** *is an Italy-based Group primarily engaged in providing services for MRO (Maintenance, Repair & Operations), HVAC (Heating, Ventilation, Air Conditioning) and Circular Economy segments. Lindbergh operates through three different business units:* ***Network Management****, aimed at providing logistics services and products – delivered by an "on board" night logistic service – to Field Service Engineers;* ***HVAC****, aimed at building – through m&a initiatives carried out by the controlled company SMIT – the first national player in Italy in the segment;* ***Circular Economy****, aimed at providing complex services for industrial waste management with the final scope to identify - through virtuous supply chains - innovative processes for waste valorization and the production of traceable recycled materials. Lindbergh, with a registered office in Pescarolo ed Uniti (Cremona - Italy), was founded in 2006 by Marco Pomè (Chairman) and Michele Corradi (CEO), both with proven experience in logistics and services industry. The Group currently employs more than 300 people.*
